

Christmas
Counting
Activity

Directions on
the following
page.

Use manipulatives
such as Cheerios,
M&M's, or other
small holiday items.

This is meant to be a guided activity for a
preschool aged child. Please do not leave your
child unsupervised with small objects that they
could potentially choke on.

Christmas Counting

Directions: Help the animals put the correct number of ornaments on every Christmas tree! Each Christmas tree gets the same number of ornaments as the number on the present under the tree.
